PROFESSIONAL SUMMARY

Python Full Stack Developer with hands-on experience in Python, Django, MySQL, HTML, CSS, and JavaScript. Experienced in building responsive, database-driven web applications with authentication, CRUD operations, and real-world project development. Seeking an entry-level Software Developer or Python Developer role.

TECHNICAL SKILLS

Programming Languages: Python, SQL, JavaScript
Backend Development: Django
Databases: MySQL
Web Technologies: HTML5, CSS3, JavaScript, Bootstrap
Tools: Git, GitHub, VS Code, PyCharm
Concepts: Object-Oriented Programming (OOP), CRUD Operations, MVC Architecture, Django ORM, Database Management, Responsive Web Design, Git Version Control, Debugging & Testing
Soft Skills: Problem Solving, Team Collaboration, Communication, Adaptability, Time Management

EXPERIENCE

Techspot Infotech March 2025 - May 2025
Python Developer Intern

- Worked as a Python Developer Intern as part of a summer internship program.
- Gained practical exposure to Python development and software development practices.
- Applied programming fundamentals to internship-related development tasks.

PROJECTS

FinTrack – Personal Finance & Expense Tracker GitHub
Technologies: Python, Django, MySQL, HTML, CSS, JavaScript, Bootstrap

- Developed a full-stack personal finance application using Django and Python to manage income, expenses, budgets, and savings goals.
- Designed relational MySQL database models for users, transactions, categories, budgets, and savings goals using Django ORM.
- Built an interactive financial dashboard with income and expense analytics, category-wise spending, budget tracking, and savings progress.

AI Mock Interview System GitHub
Technologies: Python, HTML, CSS, Javascript, NLP

- Developed an AI-powered mock interview platform to simulate real interview scenarios.
- Applied Natural Language Processing (NLP) techniques to analyze candidate responses.
- Designed an interactive and user-friendly interface using HTML and CSS.
- Generated AI-based feedback to improve communication skills and interview performance.

EDUCATION

Adarsh Institute of Technology and Research Center, Vita 2022 - 2026
B.Tech. in Artificial Intelligence and Machine Learning CGPA: 8.50/10

Kalasagar Academy, Wai 2021 - 2022
HSC (12th), Maharashtra State Board 69%

MKSSS Kanya Shala, Wai 2019 - 2020
SSC (10th), Maharashtra State Board 87.20%

CERTIFICATIONS

Full Stack Development Certification – QSpiders Ongoing
Expected Completion: Sept 2026

- Learning SQL, Python, HTML, CSS, JavaScript, web technologies, and programming fundamentals.

HTML and CSS Certification – Disha Computer Institute Sept 2025

- Gained practical knowledge of building responsive and accessible web pages using HTML5 and CSS3.

Google Cloud Career Launchpad – Cloud Engineer Track May 2026

- Gained practical knowledge of Google Cloud Platform, cloud infrastructure, cloud services, and deployment fundamentals.
